Coastal Community Bank Names Sharleen Bonnville Vice President, Internal Audit Manager

EVERETT, Wash. – Coastal Community Bank announces the appointment of Sharleen “Shar” Bonnville as Vice President, Internal Audit Manager – working at the bank headquarters on Evergreen Way. Bonnville brings over 20 years of banking experience in the areas of audit, risk management, compliance and financial controls. Previously, she served in the same capacity for other Washington community banks, most recently Seattle Bank.

“We are excited to bring Shar’s strong leadership and extensive experience to our fast growing organization,” said Eric Sprink, president and CEO. “As the liaison between the bank – its growing branch network – and regulatory agencies, her role is one of increasing importance in the ever-changing financial landscape. Thanks to the excellent foundation built by our audit and risk teams of the past, Shar and the executive team at Coastal will continue to strike the necessary balance between successful growth and safe and sound practices.”

Bonnville is equally committed to helping people outside the normal work day whether at one of United Way’s Day of Caring events or through the active roster at her community church.
