Corbin Resseguie Joins Commercial Lending Team at Coastal Community Bank

EVERETT, Wash. – Coastal Community Bank welcomes Corbin Resseguie to its Downtown Everett location as a Business Relationship Manager. He served in a similar capacity previously at nearby Key Bank where he focused primarily on business banking services and commercial loans. In addition to his experience as a commercial banker, Resseguie spent time working in the personal investment industry.

“I feel fortunate to have had the opportunity to work for top financial firms in the Puget Sound area,” said Resseguie. “My experience has given me a unique insight into the financial needs of business owners. Even with so much information available at our finger tips, the average business owner doesn’t have enough hours in the day to research all his or her options. People want a single point of contact and the highest level of personalization. I want to provide that. Even better, Coastal encourages it.”

Resseguie began his financial career working for AXA Advisors in Bellevue, Wash., where he helped create comprehensive wealth management plans to meet client short and long term needs. He is equally passionate about contributing to the well-being of those in need, providing services to the homeless population in Seattle, Wash.
