## **Coastal Community Bank Opens 12<sup>th</sup> Branch in Marysville**

*New Marysville location and Branch Manager reaffirm Coastal's commitment to Snohomish County and Local Communities*

EVERETT, Wash. – Coastal Community Bank announced the addition of its 12<sup>th</sup> branch and first location in Marysville, Washington. The Marysville Branch is located at the corner of 4<sup>th</sup> Street and State Avenue (319 State Avenue, Suite 105), flanking a new multi-unit retail center in the rejuvenated Marysville Mall area. The branch will be managed by Erin Reynolds – a former regional vice president for the American Cancer Society. Reynolds returns to the public sector after serving nearly 10 years in the non-profit industry.

“As a client and community partner, I took notice of how Coastal worked with community businesses and non-profit organizations and approached them about new opportunities in north Snohomish County,” said Reynolds. “After serving as a liaison between Coastal and my hometown during the wake of the 530 Slide, I knew this was the perfect fit for me.”

Beginning the week of August 10<sup>th</sup>, 2015, Reynolds and her team of seasoned bankers (Jan Buckner – VP and loan relationship manager, Whitney Warner – assistant manager, and Michelle Wetzel – customer service representative) celebrate the grand opening with new account specials and prize drawings. The branch is also collecting office supplies and helping raise awareness for the Marysville non-profit, Eagle Wings disAbility Ministries. Eagle Wings works on behalf of persons with disAbilities and their families.

A Ribbon Cutting and Community Barbecue with Marysville Mayor Jon Nehring and other business owners, non-profits and families kicks off at 4:30 pm on Thursday, August 13<sup>th</sup>. The public is encouraged to attend and bring new office supplies for Eagle Wings. Other area non-profits are invited to participate in future awareness and fundraising campaigns in partnership with Coastal Community Bank.
